

ABOUT THE ISLAND

St. Maarten is the only Caribbean island that is shared by two nations. Its distinct Dutch and French territories have flourished in harmony for over 350 years. This dual destination offers a unique blend of cultures with nary a border between the two, no fewer than 37 beaches, one white-sand haven for each of its 37 square miles. After a day of tanning, adventure sailing or just relaxing, the rich variety of restaurants and 12 casinos provide the spice of St. Maarten nights. The gourmet dining is exquisite, once experienced there is no wonder why St. Maarten is recognized as the "Culinary Capital of the Caribbean".
